St Oswald's Secondary School

Our Vision, Values and Aims

What we did ? Consulted all staff, pupils, partners and parents

Our school values are what unites us ! The top six were selected

Our vision and aims were developed through all the feedback collated from our questionnaire- picked out themes and key words.

We wanted to create a visual statement that would be easily understood

The sunflower is our community. A sunflower symbolises happiness, friendship and worship

Our faith is like the rays of the sun - promotes goodness, growth and allows talents to blossom.

Only by working together will we meet pupils' needs in life, learning and work. When staff, parents and partners work together we will flourish

Our six values unite us
Faith, Listening, Love,
Support, Kindness,
Respect

Like nurturing relationships
water allows the sunflower
to grow stronger

Like St Oswald's the plant pot provides a
safe place to grow and develop

Bees represent all our
community working hard
and promoting our values

When a sunflower grows
it's seeds are shared.
Similar to skills and
knowledge which are
developed to help others

Together We Will

Faith

Aims:

- 1 To know and understand each young person through kind and supportive relationships, where strengths and god given talents blossom.
- 2 To provide an individualised progressive curriculum which improves well-being and enables skills for learning, life and work to grow.
- 3 For every member of our community to feel valued, listened to and supported in a safe and nurturing school.

How we promote this?
